tnt flash tv v1.2.05

[mod] [latest]

Description: The program is designed to work with USB flash drives. Allows you to view on the computer screen any flash drives connected to the USB port. The

---

program does not contain anything extra - only two useful functions: copying and deleting files on a flash drive (and, accordingly, from it). Also on the screen in a separate window (and, accordingly,

---

in a separate window of the program) the process of copying, deleting and searching for files is displayed. The program does not contain viruses and spyware!
