After Germany used its first nuclear weapon on the morning of 8th of August 1945, European peace froze still.12play.net

Preparations began as soon as possible. The game servers were set up. Air warfare was simulated in flight simulation machines. Spy teams and sniper teams were assembled in Central Europe. Seas of paper were printed. Soldiers spent days sharpening their weapons. In the fall of 1945, the clock began ticking, and the invasion of central Europe would begin.

More than 90 years later, a team of German and Finnish experts have played out the flight of agents, planes, and locations within the framework of "Operation Storm" (*aktion Strom*),
