("The Hot!"); Premade is the third studio album by English musician and singer Roger Waters, released in 2012. "Hot!" is the third album released under the Roger Waters Music label. "Premade" is its name, not a trademark, and should be understood as the "original version" of the album. The name reflects that "Premade" is "the first version" of "Hot!" - the first album that Waters presented to the public. Thus, "Premade" and "Hot!" are synonymous. 0946cee1be
