It has great render quality improvements and support for multiple views. You can create amazingly beautiful scenes, especially as an animator if you are looking for faster rendering. Substance Painter 2 is our latest product for you. We've just released version 2 and it will add amazing effects, materials and powerful tools. In addition to everything you expect from Substance Painter 2, we have integrated the DCC plug-in into Suboxone to enable you to use the awesome Suboxone workflow directly within Substance Painter. You can use the Suboxone plugin in the regular workflow and the workflow created for Substance Painter. You don't need a Suboxone license to be able to use the workflow. You will get all new, powerful and state-of-the-art tools and features like Hydra, NURBS, Cycles, Multires, Track View, Object Label, Camera Tracking, HTTP Sharing, Blender Render integration, Iris, HDRI, Material Widgets, Snap Brush and many more. You can also find us on Facebook. Furthermore, if you use OctaneRender at work for your creative pursuits, OctaneRender Pro, the subscription version of OctaneRender, is currently available at € 50 per month, or, € 350 per year. Access the Software download page. For more information or to get started with OctaneRender for free download, please contact us at info@octane.io .
